For each Payment it must be clearly indicated whom it refers to: students name and period of stay.

CLASSES

Group Italian language courses are held from Monday to Friday with the exception of Italian national holidays, which are included in the school's calendar. Group lessons usually take place in the morning. During High Season, occasionally lessons can take place either in the morning or in the afternoon. Each lesson lasts 45 minutes.

On the first day of class, students must be at school by 9:00 am.

SPMR group course levels are those indicated in the Common European Framework of Reference for Languages (A1, A2, B1, B2, C1, C2). Lessons are held in homogeneous classes with students of the same level, ascertained by a special test taken before the school starts. After the first day in class, if the student does not feel comfortable in the class decided for them, they can request a level test.

NUMBER OF STUDENTS PER CLASS

For all group courses the maximum number of students per class is 8, the minimum 3.

If there are 2 students in a class of a given level, the timetable is reduced from 20 to 15 lessons per week, at the same price. In case of a single student, the course timetable is reduced to 10 lessons per week at the same price.

SPMR reserves the right to accept or reject requests from students to turn booked and already started group courses into individual courses.

Students who are absent for whatever reason from a group course are not entitled to any refund, fee reduction or replacement lessons.

SPECIAL COURSES

Booking a special group course (55plus, cooking, wine) guarantees the student that the planned activities will be provided at all times, in all conditions, regardless of the number of participants. SPMR reserves the right to allow other students present at the school to take part in these activities, who may pay a lower registration fee as they are not burdened by the above guarantee.

CANCELLATION OF THE COURSE

For changes or cancellations communicated earlier than 30 days before the arrival, the deposit of 150 € will be credited for a future course within 12 months after the original starting date.

For changes or cancellations communicated in less than 30 days before the arrival, the deposit will be retained and not be credited for any future courses.

There is no refund in any circumstances of cancellation after arrival. If the course is longer than 2 weeks, the Student may apply for a credit for the unused part of the course. This may be used within one year and cannot be transferred to another student. Applications for a course credit must be in writing. Responses will be in writing and discussions will not be entered into.

VISA APPLICATION

Non-European Union students who wish to enrol on a course for a period of more than 90 days need a student visa that can be requested to their country's diplomatic representation. SPMR can provide the necessary documents for the application, being it a school recognised by the Ministry of Education. Depending on the nationality of the student, pre-enrolment or full enrolment may be necessary. SPMR can issue a pre-enrolment document upon payment of the deposit fee only, or a final enrolment confirmation if the course has been fully paid for in advance.

If the visa application is refused, the student must present the written refusal to the school in order to request a refund of any payments made. In the case of pre-enrolment, the school will retain 75 € for administrative costs, plus bank charges. In the event of definitive enrolment and payment for the full course, the school will refund the total amount received, retaining €150 for administrative costs, plus bank charges.

After obtaining the visa, it is not possible to cancel or change the course dates.

After arriving in Italy, the student must apply for a "Permesso di Soggiorno" (Residence Permit) at the Questura di Ravenna (Foreigners Office) within 8 days of arrival. SPMR will immediately inform the competent authorities in the event of unexcused absence from school for more than 3 days.

PHOTOS AND VIDEOS

The school may take photos and videos of students or use their written feedback for promotional initiatives. Students who do not wish to take part in such events must inform the school in writing when booking and/or state this preference when they are photographed or filmed. By accepting these terms and conditions, the student (and parent/guardian if under 18) consents to the use of these photographs or video footage without further consent or notification.

ACCOMMODATION

Finding accommodation is a free service for all students enrolled into our courses. All of the accommodations are selected and monitored by the school, according to proper standards of cleanliness and comfort. Since all accommodations are privately owned, there could be minor differences in facilities. The school only acts as intermediary between students and landlords and therefore cannot be responsible for the relations between them.

After arrival, cancelling the accommodation costs: €100.

You must give written 1 week's notice. Where notice is not received, accommodation fees for the above periods will be added to the cancellation fee.

Cancellation of the accommodation booking communicated at least 1 week prior to arrival does not incur a penalty charge. In case of cancellation communicated less than 1 week prior to arrival, a cancellation fee of € 100 will be charged.

INSURANCE

Students are advised to take out medical and personal insurance before leaving their home country. Citizens of the European Union are not obliged to have this insurance if they have an E111 form, which they can obtain from the health authority in their country. Moreover, students are also advised to insure themselves against loss of fees through non-arrival, absence for any reason or unforeseen termination of their courses.

Palazzo Malvisi has insurance for those liabilities expressly imposed by Italian law and for in-door and out-door activities organised by the school.

COMPLAINTS - RESOLUTION OF DISPUTES

Students should bring any problems to the school's attention immediately in order to receive all the assistance and help needed to resolve any issues arising during the stay at school.

A complaint about the service rendered will only be considered if:

- duly set out in writing;
- the full amount of the course and accommodation has been paid.

The Italian Law will be applicable to any kind of dispute concerning any matter that might cause dispute.

The students as well are committed to treating everyone equally and without any discrimination. Appropriate action, which may include warnings and dismissal/disciplinary proceedings for serious or repeated offences, may be taken against any student or employee who violates this policy.
